Dear Ms. Mouali,

Thank you for compiling the proposal. I do understand the difficulties that you are going through trying to be established as an official organization. Having said that, I hope that you can understand Kingdom Foundation's position of refusing to consider ANY proposal from a non-registered entity.

I am sure that Aurum Helix will find its way upward, even if it doesn't see the light. Ivy is a shady plant! We wish you the best of luck in making it happen.

Sincerely,

Mrs. Halla Angawi
